**PRICE LIST****POST'S PLANT NURSERY****27 Henderson Terrace****Burlington, Vt.**

We wish to call your attention to the new Plants which we have added recently to our Perennial Plant List; a careful check may disclose some very useful and valuable additions to place in your beds or grounds. Come and see them in May or June. Some are not found elsewhere in Vermont. The same pleasant service as ever. No quarantees as to growth given or implied. We aim to please. Give us a chance.
